Dear Student,

On behalf of the Administrative Staff, welcome to the San Diego Christian College family! We are excited about the 2009-2010 school year and are looking forward to meeting you. This letter will provide you with important information regarding class registration and financial check-in for the fall 2009 semester.

Priority Registration for fall 2009 will take place on **Friday, June 19 from 8:30am-5:00pm**. During this all-day event, students will be on campus to participate in registration, placement testing and orientation activities. Parents are encouraged to attend with students and will participate in Parent Orientation sessions. College staff will provide helpful information as parents prepare to entrust their students to San Diego Christian College.

All students who reside in Southern California, or those who plan to be in the area, are expected to attend Registration on June 19. Please RSVP at sdcc.edu/registration

Lunch for the event will be catered at a cost of \$10 per person; paid at the time of your arrival on campus. Please indicate how many people will attend when you complete the RSVP form.

Financial Check-in will also take place during Priority Registration. Financial Check-in includes verifying financial aid, signing all financial disclosures, providing proof of or purchasing medical insurance and making payment arrangements.

In order to be eligible for Priority Registration, you must have paid your tuition deposit. To submit your tuition deposit, please contact your Admissions Counselor. Students who are not able to attend Priority Registration on June 19 may attend the make up date on July 17.

Non-local students who are unable to come to campus will complete Priority Registration by e-mail during June and July. Please RSVP via the link listed above. Transfer students should send all final transcripts to Admissions prior to registration. After you receive your class schedule by e-mail, please contact the Student Accounts Office at (619) 590-1746 to determine the amount of your initial payment which is due on or before August 1 (you will receive a letter from Student Accounts with more information regarding financial check-in and payment deadlines). You may download financial check-in documents at sdcc.edu/financialcheckin and mail them to the Student Accounts Office in order to expedite this process and to minimize your time standing in line when you arrive on campus.

We look forward to meeting you as you prepare for the fall semester. Please check the SDCC website for more information or contact your Admissions Counselor with any questions.

Sincerely,

Mitch Fisk
VP for Enrollment & Marketing
